## Seminario Roma Tre

### “THE UNITED STATES AND THE MIDDLE EAST IN HISTORICAL AND POLITICAL PERSPECTIVE”

Dal 5 al 7 giugno presso il Dipartimento di Scienze Politiche dell'Università degli Studi di Roma Tre ( Via Chiabrera 199) si terrà il seminario “THE UNITED STATES AND THE MIDDLE EAST IN HISTORICAL AND POLITICAL PERSPECTIVE”. Il seminario, tenuto dal Prof. Yossi Shain e realizzato nell'ambito del corso “The United States and the World in the 20th and 21st centuries”, vuole offrire agli studenti del percorso magistrale in International Studies, la possibilità di approfondire un tema centrale nelle relazioni internazionali oggi.

Yossi Shain, docente di Scienze Politiche all'Università di Tel Aviv e alla Georgetown University di Washington approfondisce l'analisi sulla politica degli Stati Uniti in Medio Oriente sia in prospettiva storica che in quella delle relazioni internazionali.

Gli incontri seminariali, non prendono in esame solo il conflitto israelo-palestinese, ma più in generale le tensioni e i problemi che attraversano i paesi del MO nella attuale difficile fase storica, con particolare riferimento al cambio radicale che la nuova amministrazione americana sembra voler imprimere alle relazioni internazionali, e in particolar modo nei sui rapporti con Israele e i paesi arabi.
